CAL Double-Bolt Lock™

Patented High Security locking system for sliding doors and windows

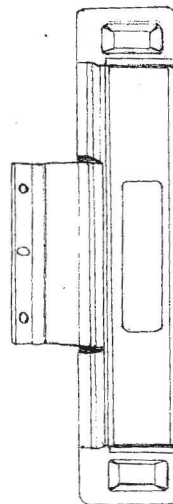

OPEN POSITION

The "CAL Double-Bolt Lock" is elegant, durable and permanent. Above all, it is easy to install and operate. Plus, with its flexible mounting options, the "CAL Double-Bolt Lock" can be installed anywhere along the door opening to maximize security, safety and convenience. Once installed, the locks break-through design makes a sliding glassdoor virtually BURGLAR-PROOF.
